

I think Barack Obama will make a good President because he will do a lot of good things for us. So if he is President, we will not have to spend a lot of money on gas and food. The thing that will not be cool is that we will have to come to school on Saturday. The one thing I like is that he did not lie about his life. For example, he told us that he did drugs. Just for this, I respect him. One more thing I like is that he is going to bring the soldiers back to their families.
