

Barack Obama is the first candidate who is an African-American who wants to be President of the United States of America. I think he will be a great President, better than John McCain. He looks like a great person because he always has a smile on his face and makes people proud when he finishes his speech. I really think that he will be the next President, and I think he will help us a lot in our community. John McCain has chosen a woman, Sarah Palin as his running mate and Obama a man, John Biden. I think Obama and Biden will do a better job than McCain and Palin. I know that Obama will make a great President because I understand his speeches more than I do McCain's. When hurricane Ike came to Houston he was trying to help us. McCain tried too, but Obama tried harder. So this is another reason why I think he will be a great President.
