

I think Barack Obama would be a good President of the United States. I think that because he is a good guy, and he could help us with the problems in the U.S. He worked as a community organizer and practiced as a civil rights attorney before working as a Senator in Illinois from 1997-2004. He was a senior lecturer in constitutional law at the University of Chicago Law School. Obama won the open Senate seat by defeating former Ambassador Alan Keyes. For me, I would like to have Obama as President so we can see if there's going to be any difference from what Bush has done. In my opinion, Obama should be President. He's a great man, and he can probably help us with stuff we need. Some people would pick McCain because they think he's going to be a better President than Obama. Most of my school would vote for Obama. I wish kids at the age of 13-18 could vote so they could see what people's opinions are. Another good reason I think Obama would be a good President is because he would try to help us, the people. McCain could probably help us too, but maybe he would be the same as Bush with all the same rules.
