

I think if Barack Obama wins, he will be a great President because he is a great man. He went to school, and he is a smart man. He helps people who are in bad situations. Obama is a great guy, and he has dedicated his life to public service as a community organizer, civil rights attorney, and leader in the Illinois State Senate. He now continues his fight for working families following his election to the United States Senate. He was born in Hawaii. His mom was a White American from Kansas, and his dad is Kenyan. So Obama is half black and half white. I support him. If I was older, I would vote for him.
