

I think Barack Obama is going to be a good President. If I had the right to vote, I would pick him. He has good ideas that I really believe in. One idea is that he wants our troops to leave Iraq and come back to the U.S.A. Another idea is that he wants to help immigrants who are poor. I think he would make a better President than McCain. This would be my best opinion. McCain doesn't want the troops to come back. I guess he does, but he wants to bring them back later. I think Obama would do a very good job at being President. He might even cut down the gas prices and make this world a very good and peaceful community.
